

# BRISTOL

- Quiet, Efficient and Reliable
- Tested Tough for demanding applications
- Up to 15% higher efficiency than other refrigeration compressors
- 1/2 HP to 4HP range
- 50Hz and 60Hz availability
- Built in the USA

## SINGLE PHASE COMPRESSORS

# DANFOSS

Scroll compressors for Residential, Light Commercial and Commercial Air Conditioning and Heat Pump applications with refrigerants R22, R407C, R134a and R410A. Nominal capacities ranging from 7 to 110 kW.

Depending on series and size, the compressors are available for single-phase and 3-phase power supply and with brazed or rotolock connections. Further a series of factory made tandem units are available. Special accessory manifolding kits are available for local mounting of tandem, trio and quadro units.
